

# Catholics Coming Home

An exciting pastoral outreach of Holy Name of Mary Parish, *Catholics Coming Home* is intended to welcome absent Catholics back to our pews!

There has been a great loss of wonderful people, formerly active in the Catholic Church, and we would love to have them come home again.

Many feel cut off from the Church, unwanted or uninvited, and that should never happen. Our parish feels the loss of any member who decides to seek other ways to worship God, or who simply stop coming.

We now have resources to help anyone who has been away from the Church for a period, regardless of the reason.

Also, for those who might benefit, we will be offering a six-week course on how to easily reintegrate into the Church with a better grasp of everything Catholic.

**A life of faith and belief adds calm strength, moral values and joyful fulfillment to both families and individuals!**

Holy Name Parish truly cares. It is a place of light, warmth and welcome. There are unlimited ways for members to participate in all aspects of our parish, and your presence would help each of us to better follow Christ's path for our own lives.
